H. HEALY

**Dealer in Diamonds, Fine Jewelry
and Watches**

502 Fulton Street, near Bond

I make a specialty of Diamonds, and by keeping close watch on the market and purchasing only when the precious gems are offered at a sacrifice, am enabled to undersell dealers who import or buy through regular channels.

Value Guaranteed or Money Refunded. Strictly One Price

As Expert Appraiser, I adjust value of jewels to facilitate division of estates, or aid purchasers in securing correct values; fees moderate. H. HEALY.

Steinway & Sons

FRANCIS
New York City

Steinway & Sons, New York City, is the largest and most complete piano and organ factory in the world. The firm has been manufacturing pianos since 1850, and has since that time been the leader in the industry. The firm's pianos are known for their quality and durability, and are used by the world's leading musicians. The firm also manufactures organs, and has a long history of excellence in that field as well. The firm's products are sold in all parts of the world, and its reputation for quality and reliability is well known. The firm's headquarters are in New York City, and it has branches in many other cities. The firm's products are sold through a network of dealers, and its customers are satisfied with the quality and service they receive. The firm's history is a testament to its commitment to excellence, and its products continue to be the choice of musicians and organists around the world.

Brooklyn, N. Y., Nov. 17.—The wedding of Miss Agela, daughter of Mr. and Mrs. J. A. Waldron, and Mr. T. A. Notdinawv, took place at the residence of the bride's parents, 1183 Bedford Ave., Brooklyn, N. Y., at 2 o'clock this afternoon. The ceremony was performed by the Rev. Mr. J. A. Waldron, the officiating minister. The bride was attended by her mother, Mrs. J. A. Waldron, and her sister, Miss J. A. Waldron. The groom was attended by his father, Mr. T. A. Notdinawv, and his mother, Mrs. T. A. Notdinawv. The wedding party consisted of the bride, groom, bridesmaids, and best man. The reception was held at the residence of the bride's parents. The wedding was a private affair, and only a few guests were present. The bride wore a white gown, and the groom wore a dark suit. The wedding cake was served at the reception. The wedding was a very quiet and intimate affair.

ST. JOHN'S COLLEGE

There's the Place to Educate Your Boy

PROGRESSIVE EDUCATION

St. John's College is a private, non-sectarian, liberal arts college for men, located in St. John's, New Brunswick. The college was founded in 1862 and has since that time been a center of learning and research. It is a member of the Association of Universities and Colleges of Canada and the Association of American Universities. The college is known for its high standards of academic excellence and its commitment to the liberal arts. The curriculum is rigorous and includes a wide range of subjects, from the classics to the sciences. The college also offers a variety of extracurricular activities, including sports, music, and student organizations. The campus is beautiful, with historic buildings and a large library. The college is a great place for students who want to receive a top-quality education in a liberal arts setting.

THE LONG ISLAND BUSINESS DIRECTORY

THE LONG ISLAND BUSINESS DIRECTORY
 GIVING INFORMATION AND POINTING
 THE WAY TO SUCCESS

This directory is the most complete and up-to-date of its kind in the Long Island Sound region. It contains the names and addresses of all the business concerns in the area, including manufacturers, wholesalers, retailers, and service organizations. It is a valuable reference work for anyone doing business in the region, and it is also a useful guide for the general public. The directory is published annually, and it is available in both printed and microfilm formats. It is a must-have for anyone who wants to stay on top of the latest business information in the Long Island Sound region.

THE TONG TAI WU BUSINESS DIRECTORY

THE TONG TAI WU BUSINESS DIRECTORY is a comprehensive guide to the business community of the Republic of China. It contains the names and addresses of thousands of businesses, organized by industry and location. This directory is an essential tool for anyone doing business in the Republic of China, providing a wealth of information in a convenient and accessible format.

The directory is divided into several sections, each covering a different industry or sector of the economy. These sections include:

- Manufacturing:** A list of manufacturers and their products, organized by industry.
- Wholesale and Retail Trade:** A list of wholesalers and retailers, organized by location and product type.
- Finance and Insurance:** A list of banks, insurance companies, and other financial institutions.
- Transportation and Communication:** A list of shipping companies, airlines, and communication services.
- Real Estate and Construction:** A list of real estate agents, construction companies, and other related businesses.
- Professional Services:** A list of lawyers, doctors, and other professional service providers.
- Government and Public Services:** A list of government departments, public utilities, and other public services.

In addition to the main sections, the directory also includes a section for "Other Businesses," which lists a wide variety of other types of businesses, from restaurants and hotels to small, local enterprises. This section provides a comprehensive overview of the diverse business landscape of the Republic of China.

The directory is published annually, providing up-to-date information on the business community. It is available in both Chinese and English, making it accessible to a wide range of users. The directory is a valuable resource for anyone looking to do business in the Republic of China, providing a wealth of information in a convenient and accessible format.
